REQUEST FOR EXPEDITED CERTIFICATE OF CORRECTION UNDER MPEP
1480.01

Dear Sir:

Expedited issuance of a certificate of correction for this patent is respectfully requested.

The granted patent contains error by virtue of listing only one of the assignees of record. With the filing of the application, an assignment and recordation form cover sheet were submitted properly listing that the application was assigned to two entities, namely, Korea Atomic Energy Research Institute and Korea Hydro & Nuclear Power Co., Ltd. A copy of the assignment and cover sheet as recorded is enclosed.

These documents, along with the other application papers, were received as evidenced by the post card receipt for same, copy also enclosed.

A notice of recordation was received showing a recording date of February 5, 2004, and listing a total number of pages as four (4). Thus, the complete four pages of assignment and cover sheet were recorded. Nevertheless, the records of the USPTO were apparently entered only to show the first assignee.

Form PTO/SB/44 is also enclosed, and specifies this error and the proper correction.

It is submitted that the records submitted show that this error is an error by the patent office, and expedited issuance

of a certificate of correction is therefore respectfully solicited.

It is believed that no fee is due in connection with this request. If any fees are required, please charge same to Deposit Account No. 02-0184.

Respectfully submitted,
Kyung-Ho Yoon et al.
